

AP 1781379 GLYDEA is a strong electric curtain track which can carry up to 25 kg. Therefore it can also be used as an ordinary hand drawn track for heavy curtains or for room dividers in places where a motor track solution is not desired. Now available in both 6 and 7 metre lengths.

## COLOURS

White

Black

Powder coating and wet lacquering in all RAL and standard NCS colours is possible for an additional charge.

## MATERIALS

This profile is made from 100% recycled aluminium, of which min. 60% is post-consumer. Post-consumer aluminium stem from products that have already been used in other products such as aluminium cans.
